Group Takes Step To Decide Port Project In Area

Determination To Be Made By Committee From Local Groups

A small group of interested business people met at the Everett O'Rourke home Tuesday night to give serious attention to the question of whether or not this area wishes to continue its efforts to obtain an airport.

It was determined to set up a committee, if possible representing the various civic organizations of the region, this committee to report back to their groups any proposed action so that a united front can be presented in the planning details.

Interest in the airport program has been gaining as the result of the selection of Squaw Valley as the site for the 1960 Winter Olympic Games. It is pointed out that transportation will be an essential phase of the Olympics planning and that if an airport is desirable and feasible, now is the time to exert all efforts for its establishment.

Promise of aid has come from state and federal agencies but now it must be determined whether or not the district itself is sufficiently interested to bear much of the cost. It has been estimated that a port to accommodate a DC-3 plane would cost approximately half a million dollars, and while the CAA stands prepared to aid in the building, assurance must be given that a matching fund can be obtained from local sources.

The foundation of an airport district, along lines of the hospital district, has been advanced as the most practical solution in event it is decided to continue with the program.

REDISTRICTING AT TAHOE DISCUSSED AT LAKE SESSION

TAHOE CITY— Eighty businessmen and residents of the fourth and fifth Placer County supervisoral districts met at the Carpenter's Hall in Kings Beach on Wednesday night, February 1st, to discuss the feasibility of redistricting the two districts. This, if carried out according to the proposal of Supervisor J. B. Paolini of Roseville, would consodidate districts 4 and 5 in the Lake Tahoe area.

Supervisors Frank Paoli of the fourth, and L. L. Anderson of the fifth districts, attended the meeting to explain the proposed plan and answer questions by the public.

The consensus of opinion at the meeting was that over 800 registered voters in these two districts fall short of the true numbers of the population of districts 4 and 5, since practically all the summer home owners in said districts are registered for voting elsewhere.

Another point brought up concerned the large areas included in these districts, and the fast growth of population of same, as shown in reports of the county building inspector. A vote taken at the meeting registered the will of the residential public unanimous against any alteration in the present set-up of county supervisoral districts four and five.

Assumption Church Boys Leading Hoop Series With 4 Wins

The basketball team of the Assumption Church ran their streak of luck to four straight wins on Sunday when the local boys defeated the Our Lady of the Snows team 30 to 16 in the Manogue high school gym at Reno.

They are playing in the Junior Catholic Youth Organization basketball league.

Previously they had beaten Little Flower, St. Thomas and St. Albert.

High point man last Sunday was Joe Montano with 22 points. Others on the local team include Bucky Cadjew, Don Brown, Billy Conners and Chuck Bermanns. Also on the squad are Tim Moesberry, Kenny Wilson, Trent Giannini, Steve Ayala, Paul Quartly, Parky Bechdolt and David Decker. Father Ronan Brennan is the team coach and manager.

LAKE LEVEL

TAHOE CITY— With all gates closed into the Truckee river, the lake level of Lake Tahoe Monday stood at 6227.41 feet. There were 46 inches of snow on the ground. Temperatures for the week ranged from a low of 9 degrees on Friday to a high of 42 on Sunday.

To Quincy—

Mr. and Mrs. John Hecker are preparing to leave for Quincy to reside. Hecker had been clerk at the S. P. freight office until he was "bumped" by Al Wakefield who has returned to make his home in Truckee.

Lake Tahoe VFW Post Again Tops Dimes March Goal

CRYSTAL BAY— The local Veterans of Foreign Wars, Post 7077, representing the Nort Tahoe area, has again achieved the honor of going over the top in the 1956 March of Dimes fund raising campaign. Committee Chairman Noble T. Murray said the post gained recognition in 1955 by sponsoring a fund raising campaign that totaled the highest contribution per capita in the nation.

With the help of the VFW Auxiliary, Women's Clubs, Rotarians and various other persons and sources from the community, the total given to the Foundation this year was over $1100.00. The ladies of the Auxiliary made the Mother's March in zero weather to come in with a total of $375.00.

The Veterans of Foreign Wars project at the Crystal Bay Club neted $302 where dimes were used to cover the bar. A March of Dimes show consisting of talent from Reno, Nevada was staged at the Brockway Theater in Kings Beach enabling the success of the campaign.

20-30, Legion Win TAC Series Games

In Monday's games at the high school gym, the 20-30 Club defeated Jim's Barber Shop 45 to 38 and the American Legion won from the Telephone Company 64 to 53.

In the first game of the Truckee Athletic Club's series, Al Wakefield was high scorer for the 20-30 with 15 points and Ray Dixon held honors for the barbers with 10. In the second game Garcia was high with 17 points for the Legion and Freeland with 34 points headed the phone company scorers.

There will be two more games tonight with Jim's Barbers meeting the league leading St. Louis five and the Telephone team facing the 20-30.

Two more games will be played next Monday and the public is invited to come out to the gym and enjoy these hotly contested bouts.

NORDEN ROBBER IS SENT TO PRISON

Clarence Smith, 30, of Sacramento, who pleaded guilty to armed robbery for participation in an attempted holdup of the Norden Store and Post Office September 24, was sentenced to the adult authority at San Quentin yesterday by Superior Judge James Snell.

Probation had been denied as Smith was currently on parole from San Quentin for sentence on a similar robbery conviction in Sacramento. Both sentences will be served concurrently.

FIRE DEPARTMENT OUT ON TWO CALLS

Twice during the past week the Truckee Volunteer Fire Department responded to calls but fortunately in each instance damage was not great. A chimney fire at the Leslie Grow home in Meadow Park Thursday was the first cause of alarm and a smoldering electric motor at Bud's main street store brought out the department Wednesday.

Local Girl Appears On Reno Radio Talent Show

Diana Lynn, 7 year old daughter of Mr. and Mrs. Robert Pankoke of Donner Lake was well received when she appeared last Saturday at Reno, Nevada on a station KZTV talent show.

The little girl who is studying dancing in Reno, sang as well as performing a tap dance to the accompaniment of an old fashioned song.

Birthdates

Bill Thornton, son of Mr. and Mrs. Mel Thornton was the center of attention on his birth date last Friday.

Mrs. John Moro was complimented on February 2 by members of her family, the occasion being her birth date.

Mrs. Herbert Copeland celebrated her natal date last week.

Seven Students Win Awards In Regional Contest

Keep California Green, Inc. Presents Awards To Four Schools

Seven students in four schools of the Tahoe Truckee Unified District have been awarded a large majority of the prizes in Nevada County given by the Keep California Green, Inc. for their talent and thought given in the recent poster contest.

Earl K. Stice, chairman of the eastern Nevada County committee, accompanied by Nelson Stone, assistant U. S. Forest ranger here, Tuesday visited the schools, with Stice making the awards and Stone expressing the appreciation of his organization for the fine showing.

Keep California Green is an organization devoted to fire prevention and conservation of natural resources.

Janice Roth, a fifth grade pupil in the Truckee Elementary School, received highest honors in the intermediate division of the county by taking first place.

Stephanie Snyder, of the second grade in the Tahoe Lake School, took second prize in the county primary division and third in the western regional primary division.

At the Kings Beach school, Bud Robertson of the sixth grade was awarded third prize in the county intermediate division.

Also at Kings Beach, Vern Wing, a second grader, won first place in the county primary division.

Karen Decker, a sophomore at the Tahoe Truckee High School, won two awards, first in the county senior division and third in the regional senior division.

Tim Molsberry, a high school freshman ,was awarded first prize in the county junior division and honorable mention in the junior regional division.

W. J. Rose of Nevada City is county chairman of the organization and sent the prizes and certificates to Stice for distribution locally.

Pamela Rose Is Feted At Birthday Party Here

Mr. and Mrs. Dave Rose entertained at a supper and Donner Theater party on Tuesday evening in honor fo the 10th birth date of their daughter, Pamela.

The young friends of the honoree who were invited to share the festive occasion included Kathy Curran, Mary Ann Miller; Janice Roth, Virginia Barnes, Janice Eaton, Kittie Ellis, Diane Kaspian, Shirley Patton, Ellen Patnoude, Helen Kohl, Dorette Rose.

DRIVER CITED

Cars driven by Merrill Alverson, Squaw Valley and Herbert Ragle, Jr., San Francisco, collided 11 miles south of Tahoe City Saturday but no one was hurt. Ragle was cited by Patrolman Martin Sturcke for being on the wrong side of the road.

SUNBEAMS

By WALTER M. BARRETT

With the 1960 Winter Olympic Games virtually assured, we must, as a community, prepare ourselves for the inevitable deluge of professional chiselers. We know they are coming and we know they have one and only one objective— despite their natural protests to the contrary— and that is to separate the unsuspecting victim from his money. We could write reams on the subject and still leave much unsaid on how to cope with the chiseler. The most sensible and safe way to handle him is not to let him get started with his flattering sale pitch. Once he has gained your confidence, and that, incidentally, is his first approach, you have only a 50-50 chance of escaping and before you know it you are sold something which you had no intention of buying or which you could have obtained from a local merchant or distributor. Sometimes you regret your lack of assurance in not refusing the "salesman" audience but too often you try and convince yourself that you made a good deal, rather than admit your gullibility. We believe that we should stand together as a community in protecting our interests from the unscrupulous invader and that our chamber of commerce, our officers and others should make it impossible for the professional chiseler to get a foothold in the region.

WORLD PRAYER DAY WILL BE OBSERVED

The World Day of Prayer will be observed here on February 17, in the Methodist Church with members of the Woman's Society of Christian Service as hostesses to the ladies of the Kings Beach church.

The observance of the important occasion will convene at 1:30 o'clock with Rev. A. B. Covher as speaker. A film of missionary work with Indians will be shown and an offering will be taken for continuation of the project.

The affair is annual and all are welcome to attend and worship with the group as it is non denominational in thought.

Clarence Osburn Home Following Operation

Clarence Osburn, who two weeks ago underwent an operation on his left leg, broken nearly two years ago in an accident while fishing, has returned home from the Tahoe Forest Hospital but will be incapacitated for several weeks. He hopes to be able to return to his garage within the next several days but will be able to do only office work.

Wolverines Split Weekend Games; Home On Friday

Douglas Will Meet Locals On Truckee Court This Week

By Jim Brehler

Once again the Tahoe-Truckee Wolverines had to settle for a split in their weekend series of basketball as they took the measure of Downieville, 46 to 41, Friday night at Downieville then dropped a conference game at home Saturday night to the Lovelock Mustangs, 58 to 43 in a well-played and exciting tilt.

Lovelock led at all quarter marks 13 to 12, 27 to 20 and 41 to 26. Tahoe-Truckee's hustling man-to-man defense gave the Mustangs considerable trouble throughout the entire game, but Pershing County High's tall center, Clyde Anderson, was again the difference as he accounted for 22 points on 8 field goals and 6 free-throws.

Outstanding defnesive play was turned in by the entire Wolverine squad, but particularly good were Bob Trask and Ken Vaughn, along with the shooting and rebounding of Floyd Cooper, Marty Prescott and Doug Wilson.

The Cubs from Tahoe-Truckee took both ends of their weekend series as they downed the Downieville "B's", 47 to 43, and then added a conference foe to the list Saturday night, dropping the Love lock Juniors, 43 to 35.

Both Tahoe-Truckee teams now stand at 6 wins and 3 losses overall. The varsity has won one game while losing 2 in conference play, while the Cubs have now registered 3 conference wins against no defeats.

The Wolverines and Cubs will be at home both nights this coming weekend as they host the Douglas Tigers on Friday, February 10, and then take on the Reno Ramblers and J.V.'s Saturday, February 11. Game time is the usual 7:00 P.M. with halftime entertainment again scheduled for both nights between seventh and eighth grade teams.

Technician Arrives For Local Hospital Staff

Mrs. Patricia Hinebaugh of Las Vegas, Nevada, has arrived here to take up her duties as x-ray technician at the Tahoe Forest Hospital, replacing Walter Pelle who returned to San Francisco. Mrs. Hinebaugh will be joined by her husband as soon as he winds up business in the Nevada city.

Accused Drunk Driver Fined In Court at Tahoe

TAHOE CITY— Stewart E. Smith, 57, Fairbanks, Alaska, who was cited by State Patrolman T. F. Sheehan last Thursday at Tahoe City on a drunk driving charge, appeared before Judge Harry Charrison in the Tahoe Judicial District Court and paid a fine of $263.

Fair Weather Here As Wettest Winter Is On Its Way Out

The Truckee, Lake and Donner Summit areas have enjoyed 15 days of sunny weather without measurable precipitation, and if forecasts are taken seriously the same ideal conditions will continue for another few days at least.

The U.S. Forest Service reported the last precipitation measured here was on January 27, but up until that time the month had had 12.66 inches with a total for the season more than double normal at 39.87 inches.

The normal precipitation for February is 5.29 inches.

There are 36 inches of snow in the pack at the forest service station here and Donner Summit reports 12 feet, with conditions ideal for skiing.

Although the weather has been bright and clear, temperatures have for the most part remained below normal for the past week with a low of 11 below registered last Thursday and a high of 40 Saturday.

Valentine Party At Donner Theater Sat.

The second annual St. Valentine theater party sponsored by Jack Neugebauer of the Donner Theater and Hal Welch of St. Louis Cafe, will be held Saturday afternoon at the Donner Theater from 1 to 3 p.m.

The matinee, for which the dime admission charge will be made, will provide a donation to the March of Dimes. All of the proceeds will go to fight polio and each youngster and adult attending is asked to bring a 10 cent piece.

Featured on the program is Indian Territory, starring Gene Autrey, four cartoons and a comedy.

Everyone is invited.

Local Court Turns In Most Fines In County

Fosten Wilson, justice of the peace in Truckee sent in to the Nevada County treasurer, Elma Hecker, $2,460.00 in fines for January designated as follows;Assessments under section 773, C. V. C. Trust, $47; Salary, $15; Special Road Improvement, $2,397; Law Library, $1. Total: $2,460.00.

The justices of the peace from Nevada City and Grass Valley sent in a total of $1,561 during the same period.

Parent Teachers Will Observe Founders Day

Founders Day of the Parent Teacher Association will be observed by the Truckee Elementary PTA at the school Monday evening at 8 p.m. All members are urged to attend and participate in the program. Mrs. Hilda Hintz is the president and Lynn Kishbaugh is program chairman.

Sportsmen Meet Friday To Oppose River Closing Here

February 24 Last Day To File Protest Against Board Proposal

Sportsmen and other interested persons will have their final opportunity to voice their views on the 1956 proposed angling regulations February 24 at 9 a.m. in Los Angeles.

At that time the state fish and game commission will meet in the state building for an all-day session to hear these views, and to finally adopt the 1956 angling regulations.

The Truckee Outdoor Sportsmen will meet tomorrow evening at Capitol Hall to officially act upon proposed regulations affecting this district and one of the matters most urgent on the agenda is a determination by the commission that seven miles of the Truckee river from Truckee to Boca be closed to all bait fishing.

A score or more letters protesting this contemplated action have already been sent to the commission, Charles Osburn, vice president of the sportsmen's group revealed. The plan is held to be discriminatory and basically unfair.

In the event a person or organization wishes to file a written statement pertaining to the regulations, it should be addressed to the Fish and Game Commission, 926 J St., Sacramento.

Because of legislative changes, angling regulations only will be heard at the February 24 meeting. The commission also will meet on February 23 at 2:30 p.m. to handle matters other than regulations. Proposals for hunting regulations will be heard in April, and final action will be taken on them in May.

Kings Beach Boy Dies Following Long Illness; Last Rites Conducted

Jerome Jay Hill of Kings Beach, died in a Reno hospital on Friday. A native of Reno, he was born August 2, 1947, and was a student at the Kings Beach Elementary School.

Survivors include his parents. Mr. and Mrs. Herschel O. Hill; a sister, Lana Jean Hill; and a brother, Raymond Hill, all of Kings Beach; his paternal grandparents, Mrs. and Mrs. J. P. Hill, of Kings Beach, and his maternal grandparents, Mr. and Mrs. Adolph Alicone of Monterey, Calif.; also an aunt and uncle, Mr. and Mrs. C. W. Kydd, of Truckee.

Funeral services were held in the Sierra Chapel of Walton Funeral Home on Sunday afternoon at 2:00, with the Rev. Arthur V. Thurman of the First Methodist Church officiating.

Cremation followed at Mountain View Crematory.

LIONS HOLD BUSY, PROGRESSIVE MEET

Several civic matters were discussed at the meeting of the Lions Club held last night at Donner Lake Lodge.

A resolution was passed protesting the proposed closing of seven miles of the Truckee river to bait fishermen from Truckee to Boca.

An airport committee consisting of E. V. O'Rourke, Cecil Edmunds and W. M. Englehart, Jr., was named to work with other groups to further the local project.

A film on Lions International was shown as the program. In the absence of the president and vice president, E. K. Stice presided.

JUNIORS TO COMPETE IN SKI MEET HERE

Skiers from ages 9 to 17 years will hold a junior jumping ski meet at Hill Top Lodge next Saturday, February 11, beginning at 1 o'clock with Herbert Copeland and James Morhain acting as judges for the event.

Crandall Brothers will present belt buckles for the first and second classes and a medal will be given for the longest jump, according to Jimmie Harris. These awards will be presented to the winners in the lodge on February 18 at the March of Dimes dance.

HEALTH CONFERENCE

KINGS BEACH— A child health conference is scheduled by the Placer County Health Department for Carpenter's Hall, Kings Beach at 1 p.m. February 16.

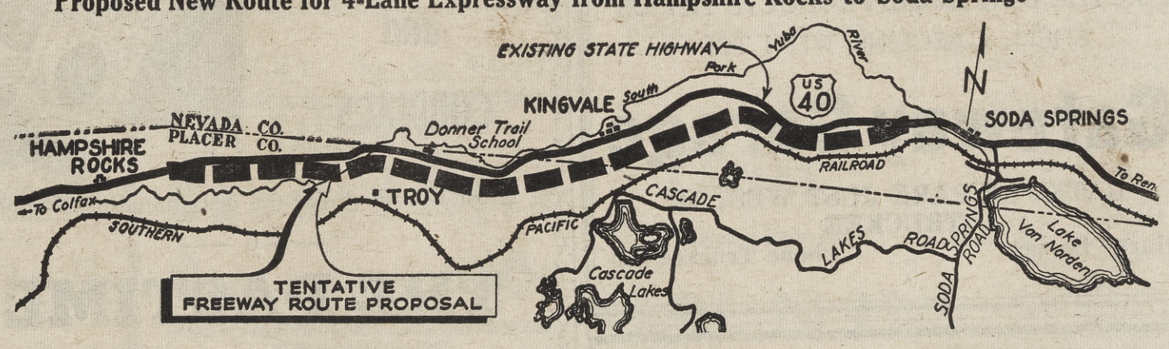
Cook Moves North—

David Cook, son of Mr. and Mrs. A. B. Cook, in the U. S. Navy has changed his address from San Diego to San Francisco, following a recent visit with his parents.

He's In the Army Now—

Gerald Quam left Monday to enter the United States Army at San Francisco.

Proposed New Route for 4-Lane Expressway from Hampshire Rocks to Soda Springs



Studies for the future freeway routing of two portions of U.S. 40 in Nevada and Placer Counties have now reached a stage which permit tentative conclusions as to basic plan, District Engineer A. M. Nash of the state division of highways announced in Marysville.

The two portions referred to are from Magra, just west of Gold Run, to Blue Canyon Road, a distance of 14 miles, and from Hampshire Rocks to Soda Springs, a distance of 6 miles.

Nash said that State Highway Engineer G. T. McCoy has requested the district to hold a public meeting to explain the various studies and tentative conclusions reached by the engineers.

Arrangements have been made to hold the meeting in Auburn on February 14, 1956, at 10:30 a.m. in the Veterans Memorial Hall.

The division of highways urges all interested officials, individuals and civic groups, to attend the meeting and to present any information which may be pertinent to freeway routings for the two portions of U. S. 40 concerned. The information may be furnished orally, or written statements may be filed with the division.

The studies by the division of the proposed routings between Magra and Blue Canyon and between Hampshire Ricks and Soda Springs include all of the numerous factors which influence the location of a highway through developed and semi-developed areas. These factors involve traffic service, cost of construction and right of way, location of schools, future developments, and over-all effect on the area.

In addition to local conditions, Nash also pointed out that all route studies on U.S. 40 have to take in to consideration the importance of the road as a main transcontinental highway and a part of the Federal Government Interstate Highway System.

The tentative U. S. routing between Magra and Blue Canyon Road begins at the easterly end of the proposed freeway between Colfax and Magra, for which the route was adopted by the California Highway Commission on May 20, 1954. This new alignment generally follows the existing highway to the Blue Canyon Road intersection.

The tentative U. S. 40 routing between Hampshire Rocks and Soda Springs departs from the existing alignment at a point east of Hampshire Rocks and continues easterly between the existing route on the north and Southern Pacific Railroad on the south to a point west of Soda Springs.

NEWS NOTES FROM TAHOE

by Ethel Joslin Vernon

Believe it or not, this locality has had 10 days of clear, sunny days and clear frosty nights. The longest period of this kind of weather since early in November. Some of the nights have been cold enough to bring the temperature to a few points above zero. Three is plenty of snow on the ski slopes everywhere, and yet not enough on the roads to interfere with travel.

Busy Weekend

We spent most of the day Sunday on a very enjoyable trip around the lake circle highway to the south-eastern business section where everything is buzzing with activity just like midsummer. The road was good all the way and the sun shone bright and warm. The amusement clubs over there were packed with jolly crowds from the bay region, Sacramento and down Nevada way. At the north end on the week end there were six bus loads of snow sports fans up from Oakland, something over 300 visitors in all. They filled the motels and lodges throughout the Kings Beach and Brockway localities. The on the snowy slopes of Granlibakken and Squaw Valley.

Women Meet

The Tahoe Women's Club's plans for their regular meeting last Thursday had to be changed at the last moment, as it turned out that Granlibakken Lodge was so crowded with snow sports visitors that there wasn't room for the club's luncheon-meeting after all. So they lunched at the cheery Monte Carlo club at Crystal Bay, and the afternoon hours were occupied with social activity. The business session was very short, and all the members donated canned goods for needy families. Forty-some members and guests attended.

Valentines Back

A letter from the "Flying Valentines" this week indicates that the lively couple is back in their Costa Mesa home again after a busy and happy winter season of air travel around the world. Only a few weeks ago the pair celebrated their 60th wedding anniversary on a plane trip which afforded them a stop-over in the vicinity of the North Pole. Mrs. Valentine writes that at present they are planning to celebrate the approaching Valentine's Day (which she calls "Our Day") with their relatives at a new resturaunt just completed at Laguna Beach where a Valentine dinner party is being put on in their honor. She says she still dreams of the interesting flights across the world where they were met at every airport by news reporters and photographers who had them in dozens of publications, mainly because of the unusualness of a 60th anniversary.

Snow Ball

The annual Snow Ball entertainment put on a surprise celebration honoring Mrs. Louise Geier, a long-time resident of this locality, in appreciation of her years of devoted service to the club. All husbands of club members were specially invited guests on this occasion, and the general public was cordially welcomed. All available space was sparkling with snowflake decorations in bright colors, and little fir trees were placed here and there and sprayed with artificial snow and frost-crystals. The tables were dressed in pink and blue with white candles, and a large glittering snow ball decorated the center of the room.

A skit, outlining the supposed past life of the honoree in humorous pantomime, was put on by the entertainment committee, and expressively read by Mrs. Audrey Brehler. Others taking part in the playlet included the Mesdames Martha Snyder, Bernice Giannini, June Grinstead, Wilma Korich, and Carol Marvin who wrote the skit and headed the planning committee. Following this entertainment the script of the skit in booklet form was presented to Mrs. Geier, while her husband Phil Geier crowned her as Snow Ball Queen with a wreath of white flowers.

A sumptious buffet supper was served at midnight, and three of the visiting husbands who held lucky tickets were presented with door prizes.

Tahoe Discovered in 1844

With the approach of Valentine's Day old timers here are reminded again that the day deserves special celebration for another and locally interesting reason. Just 111 years ago on February 14th 1844, the eyes of white men looked for the first time on the World's most beautiful Valentine— the mountain-rimmed, snow-bordered waters of Lake Tahoe. Some of General John C. Fremont's company, on a scouting trip from their camp just over the eastern range, came suddenly upon this gorgeous view from the top of the 11,000 ft. mountain now known as Freel Peak. In his diary, a little later, General Fremont described Tahoe in glowing terms, and gave it the temporary name of "Mountain Lake".

Another Birthday

This being leap-year once more, one of our good neighbors will be having another birthday. She is Mrs. Ann Soll, and she has a birthday only once in every four years, as it comes on February 29th. We believe this one puts her in the midst of the teenage period. It certainly is nice not to grow old any faster than she does. Congratulations, Ann Soll!

Sell Business

During the past week Mr. and Mrs. John M. Edge of this city sold their launderette busiess here to Mr. and Mrs. Alton M. Lewis of Sacramento. The Lewises plan to take over operations about March 1st. Mr. and Mrs. Edge have no plans for the immediate future, other than that they expect to take a trip into Arizona after turning over the business. They started the business here two years ago, and it is the first laundry ever to operate in this locality.

Certificate of Individual Doing Business Under Fictitious Name

Know All Men by These Presents:

I, the undersigned, John J. Goldsmith do hereby certify:

That my name in full is John J. Goldsmith and that my place of residence is P. O. Box 143, Truckee, California;

STRICTLY STRICKLAND

By Bill Strickland

Our attempt to get into the win column with some of our Donner Summit American Legion Junior Ski Team members this past weekend exceeded all expectations.

Our top runner has been skiing and racing for quite a few years, but that certainly should not detract from his terrific performance. Ronnie Rau won his Junior II Downhill Division with a blistering 1:23.0. As the race progressed, that time stood up for all divisions. Dick Dorworth of Reno (racing Junior I) had the second fastest time of 1:24.0., with Jimmy Heuga in Junior III, third with 1:25.9

Ronnie supplied some humor at the end of his run. A skier was inadvertently lying prone in his path. Some quick thinking, and a gelandsprung without poles, cleared the fallen skier— but left Ron standing in the water in the river.

Two very smooth runs of 1.22.0 & 1:19.9 gave Ronnie a second in the slalom, just nine tenths of a second behind Rex Mays of Snow Valley with runs of 1:24.0 and 1:17.0. Unofficially the combined scores put Ronnie 1st in his class with 364.9, Rex Mays 2nd with 368.2, Don Murphy 3rd, 372.9; Kit Schull 4th, 385.0 and George Hogans son, Dennis, 6th with 398.7. Denny had two real good slalom runs of 128.5 and 126.7 to place 4th in the slalom. The overall picture was really close.

As I said, the above results are unofficial, but according to my figures, Dorworth had a combined time of 364.8 against 364.9 for Rau. Yep, it was real gratifying. Had any one of Ronnie's runs been two tenths faster he'd have had all the marbles. Ernie Tschopp's two girls, Dee-Dee and Smiley, formerly residents of our mountain top won top honors in their divisions.

Kit Schulls 8 year old brother, Rickey, walked off with Junior V downhill with a remarkable 1:13.8 (shortened course) to lead over second place by nine seconds. Rick liked to pick his own course in the slalom though, and left some of the gates out. On being told he'd missed a few, he shrugged it off by saying "I guess I'm just a downhill racer."

It was with a great deal of pleasure that we greeted many friends of years past who were sweating their youngsters down the mountain side. Saw Frank and Helen Howard and children, Bruce and Lynn. They lef immediately after the race for two weeks in Sun Valley. Doctor Loren Ruddy with wife, Helen, and daughter, Susan of Sacramento. The aforementioned Ernie and Day Tschopp with Dee-Dee and Smiley; Bud, Madeline and Starr Walton. Ray Fellows and wife with daughter, Sandy. Kirby Schull watching his three sons, Kit, Jimmy, and Rickey. Snuffy Piche's wife and son, Larry. George Hogans, handling one of the phones and bringing Dennis in. Lucille Heuga and Jim-

Hill and Zona Schubert have arrived at Soda Springs Hotel from San Francisco. They are associated in it's operation with Elmo Moriano. We've known them both for many years, and are certainly happy to welcome them to our area. Also back at Soda are Ruth Meador and Frank Cumming.

Ruth ran the front office for Brant Chaplin for several years and prior to that did the same work when Dennis and Muriel Jones were operating the Hotel. Frank has been back of the bar for two years and is now starting his third. Jack Samples is handling the dining room and coffee shop operation. He has a very excellent catering service in Stockton, and if that can be a criterion, guests of Soda Springs will be on the receiving end of some truly wonderful food.

Donner Summit Lodge was completely filled by members of the American Trust Employee's Club of San Francisco. The American Trust Co. is a bank, y'know. This was their second annual trip to Donner Summit Lodge. We understand it will be a regular affair from now on. Fran Couillard, who manages DSL, really liked the color of that banking money, too.

my. I had to herd in Ronnie, son Bob and Molly Babington of Berkeley.

In two weeks we head for Mammoth and a full week-end again.

Donner Ski Ranch was the site of the FWSA Class C District 5 Championship on Sunday. We noted the excellent performance of two former mountain top residents. Gordon and Louise Hooley's twins, Barton and Nancy. Bart took first in the mens class with a two run combined time of 2.02.2. Nancy's second place time in the womens division was a good 2:35.2— just behind Margi Meyers' 229.6. This mountain is producing some pretty good racers.

SUN ADS GET RESULTS

Truman Sunkel of Tahoma was here this week from Walnut Creek.

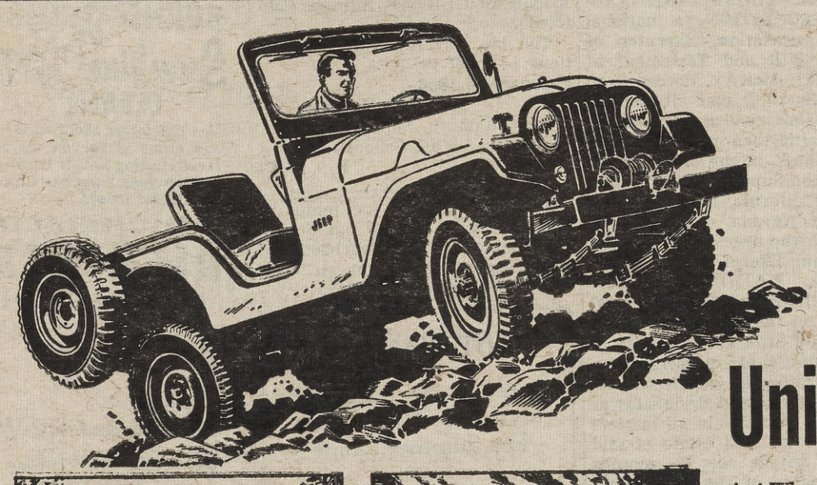
TAHOE DISTRICT TO ANNEX TWO NEW PARCELS OF LAND

TAHOE CITY— Directors of the Tahoe City Public Utility District held a special meeting on February 3rd at which time an ordinance was passed and official notice issued to annex two seperate parcels of land to the district.

Parcel No. 1 is designated as 34.14 acres of land on which the PUD's springs and water storage tanks are located. This land, purchased by the district in 1939, has recently been found to lie outside the mapped boundaries of said district.

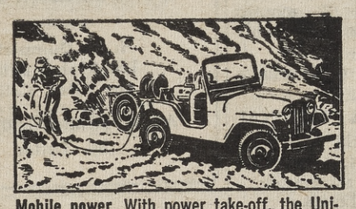
Parcel No. 2 includes 2.5 acres of land on which the PUD's new sewage treatment plant and disposal grounds are situated. Both these parcels to be annexed border on exterior boundary lines of PUD property.

Charles White, Jr., of Kings Beach plans to do some traveling before the summer season starts.



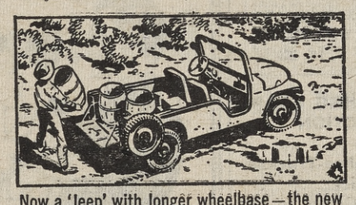
Tough jobs demand a Universal 'Jeep'

Traction. 4-wheel drive gives the extra traction for traveling up steep grades or broken ground. The 'Jeep' is built to stand up and take it in tough usage.



Mobile power. With power take-off, the Universal 'Jeep' provides mobile power for operating welders, compressors, generators and many other kinds of specialized equipment.

Hydraulic lift. With hydraulic lift, the 4-wheel drive 'Jeep' operates graders, scrapers, post hole diggers and most 3-point hitch implements.



Now a 'Jeep' with longer wheelbase—the new model CJ-6. Carries larger, bulkier loads; has all the features that made the 'Jeep' famous.

A 4-Wheel-Drive Universal 'Jeep' takes you to the job, wherever it is—on the road or off! This rugged performer carries men and equipment over the highway in conventional 2-wheel drive. Then, when work calls for travel off the road—through mud, sand or snow, up hill or down—you shift a single lever for the extra traction of 4-wheel drive. With power take-off, or hydraulic lift, the Universal 'Jeep' does an almost endless variety of jobs. To find out what it can do for you, ask for a demonstration.

School News

DONNER TRAIL

Kindergarten and first grade is full of funny people. Puppet people is what we mean. We took sawdust and wallpaper paste and clay and water and we now have puppet heads.

David Justis and Pamela Zozula already gave their puppet shows.

The upper grade at Donner Trail is making a three-dimentional map of California.

We are making a study of seashells and seashell life. We will write letters to schools around the United States and try to obtain from them some shells of their areas.

KINGS BEACH

KINDERGARTEN AND FIRST GRADES: This week some of the first graders have been cutting pictures out of magazines and writing stories. Susan Clackett and Carl Christiansen are making books about cars; Andy Thompkins and David Hughes about boats; Cathy Rockholm and Kathy Chastain about babies; Cathy Murray and Wendy Howell about dogs; Peter Powell a book of trains, and Brenda Hallahan is making a bok about food.

Some of the kindergarteners are making poem books. They include Jay Bisio, Diana Astle, Shari Decker, Dyanne Lausche, Patty Bervid, and Janice Wing.

We experimented with potatoe printing this week. They turned out very well. Janice Wing supplied potatoes for the class.

Wendy Howell brought a record of two dances.

SECOND AND THIRD GRADES: This week during language arts, creative writing was stressed. Our three best poems made up by the entire class are titled: Coming To School (Nancy Bervid illustrated this poem), At School (Leta Laborde made the illustration), Going Home From School (illustrated by David Reed.)

The following children did a fine job at their first attempt writing poetry: Estelle Howell, Alton Clother, Carol Franklin, Vern Wing, Leta Laborde, Ronnie Baker, Phil Thompson and Amy Arndt.

FOURTH, FIFTH AND SIXTH GRADES: Folk dancing was started this week for the children of the 4th, 5th and 6th grades at the Kings Beach School. In one lesson, directed by their teacher, the children learned several dances.

Mr. Bisio's class this week finished work on their social studies unit which covered the Indians of early California.

Reports by all groups with special projects were turned in by the following children: David Decker, Bud Robertson, Linda Draney, Cathie Graton, Francis Howard, Dennis Ludlow, Mark Gold, Bob Howell and Dick Cinani.

TAHOE LAKE

KINDERGARTEN AND FIRST GRADES: Our picture contest this week turned out some good ones by Barbara Neilsen, Carolin McLane, Vicki Jones, Rae Lee Grahn, Johnny Carnell, Bill Rabska, Kim Marvin and George Speeter.

Lovely gingerbread smells were coming from the kichen. George Speeter's comment: "Something out of the kitchen smells to me good." All agreed we surely have a good cook at Tahoe Lake.

SECOND, THIRD AND FOURTH GRADES: The second grade is learning how to approach arithmetic problems by asking three questions.

The third and fourth grades are touring California via view master and visiting other parts of the world through geographic magazines.

FIFTH AND SIXTH GRADES: This has been a very busy week for our classroom. Having started our new social studies unit on Canada, we have divided the class into committees of 3 or 4 pupils to study and make maps showing various aspects of the country including products, topography, population, rainfall, and early explorations.

TRUCKEE ELEMENTARY

KINDERGARTEN: Linda Russell, Jennifer L. O'Bear and Pamela Horman repainted the "stove" for our playhouse this week. Wilbur Glenn and Jack Novak painted coffee lids with black paint for our stove burners.

Beverly King and Henry Frates painted new wall paper for our playhouse. Susan Schuler and Phillip Risden helped them paste it to the wall.

FIRST GRADE: Linda Carter, Russell Glenn, Lenny Vind, Bill Waters, Sandra Miller, Gary Kehm and Twila Lee Barber all have a new book in reading class.

SECOND GRADE: In reading, Anne Morey, Rickey Ralphs, Diana Pankoke, Alexandra Cushing, Debbie Ellis, Fosten Wilson, Dennis Stevens and Claudia Ayala have finished reading "Just for Fun".

THIRD GRADE: All three reading groups have finished their basic readers. The class is planning a visit to the library soon.

Marcia Leamon, Judy McGwinn, David Saroni and Eddie King illustrated the story "Fly Away at the Circus" by Leone Adelson. They visited the first and fourth grades to tell the story and show their illustrations.

FOURTH GRADE: The fourth graders have been stressing oral reading. Those people who are improving are: Ronald Brown, Steve Besio, Jack and Wayne Arterburn, Judy Mitchell and Salvador Cabrera.

FIFTH GRADE: In reading we have been taking part in a variety of activities.

Four of our pupils have recently started to read "What next" They are:Kittie Ellis, Darby DeLisle, Ellen Patnoude and Helen Kohl.

Walter Barrett, editor of the Sierra Sun spoke to our class on Monday morning. He told us many things about the history of Truckee and its surrounding area. We are now writing The Truckee Story from notes we made on Mr. Barrett's talk.

SIXTH GRADE: We have been studying figurative and literal expressions. The stories in our current units lend themselves well to this study, and after working out the related workbook exercises, we have written original short stories built around these phrases borrowed from text and work books.

HIGH SCHOOL

Last Thursday, during the noon hour, the Pep Club met and elected their officers for the year. The "Tremettes", now an authorized student body organization, will provide an organized rooting section for all Wolverine home games and promote general school spirit under the leadership of Judy O'Neill, president; Jude' Commagere, vice president; Linda Loynd, secretary; and Karen Decker, treasurer.

The Annual Staff has been busily working all year and has finally received the proofs for the first section of the Chipmunk. The staff will send out letters requesting donations from merchants, both local and those with whom the school has accounts, sometime this week.

NOTICE OF GOVERNING BOARD MEMBER ELECTION

1 Member of Tahoe-Truckee Unified School District

Notice Is Hereby Given to the Voters of the Above District or Districts of the County or Counties of Placer and Nevada, California, that the Annual Election for members of the Board or Boards of the said district or districts will be held on the third Friday of May, namely, May 18, 1956 for the purpose of electing the number of members of the governing boards of the districts as indicated above.

The polls will be located at:

Precinct No. 1 - Donner Trail Elementary Schoolhouse, Kingvale.

Precinct No. 2 – Kings Beach Elementary Schoolhouse, Kings Beach.

Precinct No. 3 - Old Schoolhouse, Floriston.

Precinct No. 4 - Tahoe Lake Elementary Schoolhouse, Tahoe City.

Precinct No. 5 - Truckee Elementary Schoolhouse, Truckee.

The polls will be kept open between the hours of 7:00 o'clock A.M. and 7:00 o'clock P.M.

The election returns will be canvassed at 10 A.M. o'clock on June 4, 1956, by the county superintendent of schools at Court House, Auburn, California.

Deadline for receipt of absentee ballots is June 3, 1956.

Forms for declaration of candidacy may be obtained at the office of the county superintendent of schools, Court House, Auburn, California.

The last day for filing declarations is April 18, 1956.

February 8, 1956

Albert F. Bequette
(County Superintendent of Schools)

F 9, 16, 23

On February 14, the G.A.A. will hold their Mother-Daughter Hi-Jinx. At seven 'clock, in the high school cafeteria, dinner will be served. The main feature of the evening will be entertainment provided by the girls in each class.

Volcanic "bombs" are lumps of lava that were thrown out during a volcanic eruption and hardened while flying through the air.

"Whirlybird" helps string a telephone line. More and more uses are being found for helicopters in the telephone business. Not long ago, one was used to help a telephone crew string over two miles of wire across several steep canyons loaded with brush and poison oak. After poles were put up on the hill tops, the 'copter laid a rope across the poles' cross-arms. Then the wire was fastened to the rope and the crew pulled it into position from pole to pole. In this way, a job that would have taken a week was done in an hour and a half. Corner-cutters like this do a lot, of course, to speed up the expansion of your telephone system. **The men and women of Pacific Telephone work to make your telephone more useful every day.**

By JUDGE HARRY CHARRISON

Weather

Don't think this is all we have to talk about, although its the main subject these days. Today, the 2nd of February, the groundhog has taken the headlines away from most anything else. Only six more weeks of winter. Not bad huh? Well we have had some cold nights. Yesterday it was 6 below zero and this morning 6 above, 15 degrees higher than Reno, which had 9 below, but the weather is dry and sunny and the lake is a fishermans paradise. Eddie of the Monte Carlo was out, got nothing, but his partner caught 5 and 7 pounders. may sound fishey to you sunshine hunters, but it's the truth. This weekend looks as though its going to be a carbon copy of last weekend, which was perfect.

Tripping

Willis and Ruth Mizner left last Sunday for a trip to San Francisco where they will visit their son, Timmie, and then they intend to take in the TV exhibition at Sacramento. They will be back over the weekend. Nice trip for them.

Wintering Out

Had a very nice letter from our friend, Don Huff, who by the way is president of the Lake Tahoe Chamber of Commerce. Don is spending a very nice winter in Woodland. Make the best of it Don, you will be opening up Homewood Resort before you know it. Glad you enjoy the Sierra Sun.

Dance

Virginia Robertson informs me three will be a teenagers dance at the Carpenters Hall on Sunday night from 7:30 til about 10 p.m. All teenagers of the area are invited to attend. That's Lincoln's birthday, February 12th.

Visitors

Mr. and Mrs. Price, have been spending a few days with the Faulkners. They are presently living at Santa Ana. Ileta tells me she is going to take them back so she can get away from business.

Big Meeting

A big meeting of the North Tahoe Community Club was held at the Carpenters Hall last Wednesday, when the principal speakers were Frank Paoli and Andy Anderson of the Placer County Board of Supervisors. Many items of importance were discussed, one being the determination of the people of this district and that of Tahoe City to hold onto the present system of having these districts stay as they are and to be represented by two supervisors. There is a moment on foot to rearrange the district which would cut the representation to one. The matter will come before the Council of North Tahoe Organizations in the near future. There is another very important thing to do, that is to see that every available person that is not registered do so at once. There are two people who will be only too happy to help them, Ruth Lavery and W. H. (Hank) Dodd. Phone for an appointment.

Lots of People

Attracted by good roads, beautiful weather, and excellent conditions on the ski slopes, another big night was had both at Squaw Valley and at the hotels at Crystal Bay. It seems each week gets bigger than the previous one.

Welcomed Back

Walley and Mrs. Skaggs have returned to their home in Kings Beach after a wonderful trip over the east and middle west, and upon returning visited Palm Springs where they saw many of our residents now living in the Tahoe section of Palm Springs. Glad to see you back Walley and Mary.

Lions and Ladies

The Lions ladies night last week in the Tahoe Biltmore was a huge success. A cocktail hour preceded a wonderful banquet, with the most beautiful table setting we ever had. The meeting was followed by entertainment which was more fun than a picnic. Jimmy Chastain was M.C. Joy Plunkett sang, as did Bob Vernon, who also put on a humerous skit. Dancing followed, to end a most wonderful evening.

Yum Yum

Don't forget the chicken pie dinner at the Community Church on Sunday, February 12th, from 5 til 7 p.m.

Back Home

Ned Malla, with his mother, has just returned from a trip to Palo Alto, where he took treatments for his back that has been out of whack for the past few weeks. While it is somewhat improved, it is far from being perfect. He says his arm is quite a lot better. His mother had a very nice visit with her children but like everyone else was glad to be home.

Women's Club

Election of officers was the main business of the North Tahoe Women's Club when they met at the Trade Winds last Monday noon. Virginia Robertson was named president, Ruth Mizner, vice president, Peggy Powell, secretary, and Maxine Polzin, Treasurer. During the regular business it was decided to hold the annual hat party at the Tahoe Biltmore on Monday, February 27th however, there will be a lot more to say about the affair later.

Another Visitor

Bob Mercer of Crystal Bay was up for the weekend. He and Mrs. Mercer are now living in San Francisco. Bob says he hopes to be a papa in early April. His mother, Mrs. Frank E. Mercer, has been staying at Scottsdale, Arizona, for the past couple of months, but will be back in the early spring.

Sorrow

It was very sad to hear of the passing of Jerry Hill, only 7 years old, and son of Herschel and Mrs. Hill of Kings Beach. Little Jerry had been very sick with leukemia for many years, so his passing was not altogether unexpected, but a sad blow to his family. The sympathy goes to his family from all local friends who knew him and his happy little disposition.

Good Luck

Glad to know that Jim and Mabel Commagere have taken over the restaurant of the Sky Lodge, in Tahoe City and wish them a lot of success.

Prospects In County Reported Good If Indications Correct

Prospects for 1956 for the 18,220 peopl eof Nevada county are good, if population and local property tax base are any indicator, California Taxpayers' association said today.

First, there is the relatively stable population of the county during 1955— a drop of only 220 people being indicated between January 1, 1955, and January 1, 1956.

Second, there is the increase in wealth, as measured by total value of taxable property within the county, which went from $33,845,280 for 1954-55 to $34,889,960 for 1955-56.

Third, there is the average wealth of the county, measured by the property tax base tied in with population. This is shown in the assessed value of taxable property per capita, which is $1,892 for 1955-56 compared with $1,872 for 1954-55.

Record levels in loans, deposits and total resources were reported by Bank of America in its statement of condition dated December 31, 1955.

The total resources of the world's largest private enterprise bank stand at $9,669,145,972, an increase of $505, 790, 683 over the same date a year ago.

Deposits were reported at an unprecendented total of $8,802,506,128 or $531,971,377 greater than December 31, 1954.

Loans outstanding on December 31, 1955 were at a new high of $4,727,961,472, representing a gain of $684,649,328 over the 1954 year-end figure.

S. Clark Beise, president of the statewide bank, comented: "The pattern of steadily increasing volume of loans outstanding during the past year indicates that an even higher level of loan income should prevail in the year ahead."

It was further reported that the bank's investments in securities, primarily in U.S. government and California municipal bonds, were $2,984,567,788 as compared with $3,271,392,367 a year ago.

a plumber is CHEAPER don't let it DRIP

—0—

It costs money to have a plumber repair leaking faucets and toilet bowls.

BUT— it is cheaper than letting your water bill run up month after month.

A dripping faucet to one leaking with as little as an 1/8 inch opening will run your bill up from 20 cents to as much as $20.00 more per month.

NOW is the time to have your plumbing inspected for possible leaks.

Reno Chamber Official Discusses Olympics At Rotary Meet Here

Selby Calkins, a representative of the Reno Chamber of Commerce, spoke before a joint meeting of the Truckee, Brockway and Loyalton Rotary clubs and representatives of the Truckee Lions and 20-30 Clubs at the meeting of the local Rotary Monday ngiht, discussing various phases of the proposed Olympic games here in 1960.

He covered the background of the winter games and how they were placed in California during the selection process of the United States Olympic Committee and the International Olympic Committee during 1955. Calkins was one of the representatives of the Reno committee which proposed the Mt. Rose area for the Olympics. Mt. Rose lost to Squaw Valley by only one vote.

He also presented many problems the Olympic Games will bring to all the adjacent communities to this area. He mentioned in particular the problems of housing, transportation and sewage disposal which will be necessary to take care of the thousands that will visit the area during the games.

The Truckee club has also made a delayed contribution to the Placer County Chamber of Commerce Committee of $100 to aid in getting the Olympics for Squaw Valley, a result of the contributions of those prseent.

Firemen's Benefit Ball Discussed At Meeting

TAHOE CITY— Twenty-seven local Rotary members and three guests attended the club's weekly dinner-meeting held at the Tahoe Inn on the evening of Tuesday, January 31st.

Following the dinner the entertainment for the evening was a motion picture which depicted in detail the Redwood Industry's operations in the west. It was stated by the commentator that this industry supplies thirty-six million board feet of redwood lumber annually.

Two visiting Rotarians were Judge Fosten Wilson of Truckee and M. H. Dodd of Brockway. Local member Bill Bechdolt had as his guest Assistant Fire Chief Pete Vanni of this city, who spoke briefly concerning the Firemen's Ball, which is scheduled to be held here on the evening of St. Patrick's Day, March 17th.

Vanni said the proceeds from the Ball will go toward improvement of fire fighting equipment for attending fires outside the immediate district. President Steve Korich presided at the meeting as usual, and Basil Kehoe acted as program chairman.

Gifts Bought—
Mrs. Claude Harrison and Mr. and Mrs. Harry Stout selected gifts for Donner Florists and Gift Shop this week in San Francisco.

King in Hospital—
M. C. King was a patient last week in the Veterans Hospital at Reno, Nevada.

Donner Dancers Sup—
The Donner Dancers, the local square dancing group, enjoyed a pot luck supper Friday evening prior to tripping the light fantastic.

AT Bay—
Mr. and Mrs. Loren Russell were Oakland visitors this week.

Borax is an essentiial ingrediant in the manufacture of special glasses.

CUBS PROMOTED AT LOCAL DEN MEETING

The Cub Scout Pack 7 monthly meeting was held at the Truckee grammar school Tuesday evening, January 31st. The various dens furnished the entertainment with pirate skits.

James Morhain and Don Furgus, representing the 20-30 Club, were at the meeting to present the pack with a check for $50, and the new pack charter.

Bryan Ireland, David Sorani, Gregory York, Gary Sturcke and Teddy Danials were presented Wolf Dadges. Steven Davis and Eddie King received Gold Arrow Points in the Wolf Rank. Joe Parkhurst received a Silver Arrow in the Bear Rank. Skippy Peterson, Jack Arterburn and Wayne Arterburn received Bobcat pins.

The regular monthly planning meeting will be held on Tuesday, February 21st at 7:30 p.m. at the home of Darol McGihon. All committeemen and den mothers are urged to attend.

Robert Roth has taken over the duties of pack treasurer and secretary. Ronald Ireland, the former secretary and treasurer, has moved from the area.

LOCAL CHECK CASE GETS CONTINUANCE

Arraignment in Nevada County Superior Court of Ward Paul Garwood, 38 year old Canadian charged with felony forgery was continued to February 17 by Superior Judge James Snell after the court appointed William A. Carver of Truckee to act as his attorney.

Garwood, who had been working at Beacon Hill Lodge on High way 40, was charged by that lodge and the Donner Summit Lodge with cashing several checks payable to the lodges in Reno early last month.

He was arrested in Reno and jailed in Truckee until bound over to Superior Court following hearing.

He is currently still in the Nevada County jail in lieu of $1,000 bail.

County Shares In State Aviation Gas Refund

SACRAMENTO —(CNS)— Nevada county's share of unrefunded taxes on aviation gasoline during 1955 amounted to $1,659 State Controller Robert C. Kirkwood reported today.

In counties of less than 100,000 population, the controller said, the refunds may be used for county airport maintanance.

The total amount distributed to cities and counties was $350,000.

To Market—
Mr. and Mrs. Robert Leamon attended the furniture market displays in San Francisco this week, buying merchandise for Leamon's Furniture.

Buy For Trading Post—
Mr. and Mrs. Dan Horman of Donner Trading Post were San Francisco buyers of gifts and souvenirs for their business, earlier this week.

REDDING MAN WILL REPLACE NASH AS HIGHWAY OFFICIAL

Three district engineer assignments for the California Division of Highways, effective March 1st, were announced this week by state Highway Engineer G. T. McCoy:

A. M. Nash, at present district engineer of District III with headquarters at Marysville, will be transferred to District V, with headquarters at San Luis Obispo.

J. W. Trask, at present district engineer of District II Redding, will be transferred to District III, Marysville.

H. S. Miles, at present assistant district engineer in District IV. San Francisco, will be promoted to district engineer of District II, Redding.

Nash has been district engineer at Marysville, a district which includes 11 Sacramento Valley and mountain counties, since 1952. His earlier service included two periods as district engineer of District I, Eureka, and one three-year assignment as engineer of design for the Division of Highways, at headquarters office in Sacramento.

He has been an employee of the division of highways since 1920, following aviation service in World War I.

Trask has been on the staff of District II, which includes seven north central and northeastern counties, since 1943. He became District Engineer in 1950.

He has been with the Division of Highways since coming to California in 1928, serving first with the bridge department and later on various assignments, including that of resident engineer on the Newcastle Tunnel on U. S. 40 in 1931.

Trask is a graduate of Utah State College and served in World War I with the Army Corps of Engineers.

Boy Leaps Over Skiier Into River To Win Race

TAHOE CITY— The junior ski meet held at Edelweiss on February 4 and 5 was attended by a numbre of local skiers.

Best time on the downhill was made by Ronnie Rau of the Donner Summit Legion Post Ski Club. At the finish he had to jump over a fallen skier and landed in the American river, but the ice on the edge of the stream which he hit kept him from getting wet.

Class V girls downhill, slalom and combined went to Sandy Fellows and Greg Moore took second place in the boys downhill, slalom and combined event. Dede and Smiley Tschopp were both first in the slalom in their class and Trent Giannini was third in the Class III slalom, Ronnie Rau second on Class II slalom and Jimmie Hauga first in Class III.

Back Home—
Mr. and Mrs. Jack Wolert returned from a recent vacation trip.

At Sugar Bowl—
Bob Craig, noted mountaineer of K2 expedition fame was a recent visitor at the Sugar Bowl from Aspen, Colo.

Tarzan

by EDGAR RICE BURROUGHS

AFTER BEING CONDEMNED BY THEIR ENEMY, TARZAN AND LOT WERE HURLED DOWN TOWARD THE BOTTOM OF A LARGE HOLE.

SUDDENLY, TO THEIR DISMAY, THE SACRIFICIAL VICTIMS SPLASHED AND SANK DEEP INTO THE PERILOUS WATERS.

TARZAN, HOWEVER, WAS UNDAUNTED AND BACKED AGAINST A SHARP ROCK WHERE HE HOPED TO CUT HIS BINDING ROPES.

SEVERAL TENSE MOMENTS PASSED-- UNTIL THE FIBERS ABRUPTLY PARTED. HE WAS *FREE*!

THE APE-MAN UNTIED HIS LEGS AND QUICKLY SWAM TO THE SURFACE WITH HIS HELPLESS FRIEND. CAREFULLY THEN, HE HEADED FOR SHORE...

...MEANTIME, WHILE THE MIDIANS WERE DISTRACTED BY THEIR BURNING VILLAGE, WALKER AND SLADE HASTENED IN A BRAZEN ATTEMPT TO STEAL THE *SACRED GODDESS*!
